IN RE: Notification of CTC Communications Corporation, DeltaCom, LLC f/k/a DeltaCom, Inc., Earthlink Carrier, LLC f/k/a Interstate FiberNet, Inc., and Earthlink Business, LLC f/k/a New Edge Network, Inc. Regarding Certain Pro Forma Intra-Company Changes)	ORDER APPROVING NAME CHANGES RESULTING FROM PRO FORMA INTRA- COMPANY CHANGES
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---	------------------------------------------------------------------------------------------

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the petition of CTC Communications Corporation, Deltacom, LLC f/k/a Deltacom, Inc., Earthlink Carrier, LLC f/k/a Interstate FiberNet, Inc., and Earthlink Business, LLC f/k/a New Edge Network, Inc. (collectively “the Parties”) for approval of name changes incident to certain pro forma intra-company changes completed on or about December 31, 2012.

The Parties are all indirect subsidiaries of EarthLink, Inc. (EarthLink”), and the pro forma intra-company changes giving rise to the instant petition were undertaken to streamline EarthLink’s corporate structure. The changes are described as follows:

1. EarthLink Business Holdings, LLC has become the new direct parent company of New Edge Network, Inc.
2. New Edge Network, Inc. converted from a Delaware corporation to a Delaware limited liability company and immediately changed its name to EarthLink Business, LLC.
3. EarthLink Business, LLC became the new parent company of CTC Communications Corporation.

4. Interstate FiberNet, Inc. converted from a Delaware corporation to a Delaware limited liability company and immediately changed its name to EarthLink Carrier, LLC.
5. DeltaCom, Inc. converted from an Alabama corporation to an Alabama limited liability company known as DeltaCom, LLC.
6. ITC^DeltaCom, Inc., became the new direct parent of DeltaCom, LLC.

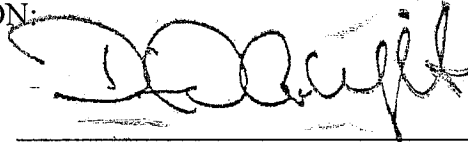

The above described pro forma intra-company changes have not resulted in any changes to the ultimate ownership of any of the subject entities. South Carolina customers are still served by the same entities as prior to the changes, and the names under which the entities conduct business have not changed. Rates, terms, and conditions of service remain unchanged. The conversions and name changes are completely transparent to customers. The parties have provided evidence of their amended registrations and will file updated tariffs with the Commission separately.

We find the pro forma changes herein described to be in the public interest in that they simplify EarthLink's corporate structure, reduce its reporting and accounting burdens, and provide other operational efficiencies. The resulting efficiencies will ultimately benefit consumers. Accordingly, we approve the resulting name changes.

Revised tariffs reflecting these changes shall be filed within 30 days of receipt of this Order. The revised tariffs should be electronically filed in a text-searchable PDF format using the Commission's Document Management System (<http://dms.psc.sc.gov>). An additional copy should be sent via email to etariff@psc.sc.gov to be included in the Commission's ETariff System (<http://etariff.psc.sc.gov>). Future revisions to the tariffs should be made using the ETariff System.

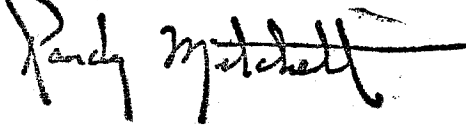

This Order shall remain in full force and effect until further order of the Commission.
